

Epiphany blessings!

We wish you – we experience with you – the joyous, challenging blessings of Epiphany!

We all encounter Jesus again and again as we continue to seek him.

We all examine ourselves, hoping to find gifts we are bringing to our wondrously incarnate God.

One gift that we have in common is prayer for our beloved church. We invite you to pray with us that the doctrinal assessment of the Leadership Conference of Women Religious (LCWR) will be resolved in a way that will inspire the faithful and nourish LCWR leadership.

May God bless you in your difficult work.

With sincere appreciation  
for your own life in Christ,

Solidarity with Sisters  
(a DC-based lay group)

*Solidarity with Sisters is a grassroots group of lay people. Our goal (in the words of LCWR past president Sister Pat Farrell, OSF) is "to go forward with truthfulness and integrity, in a way that contributes to the good of religious life everywhere and to the healing of the fractured Church we so love."
